## Get to Know the Raptors of Washington's Pacific Coast

**A Bald Eagle, one of the ocean raptors of the Pacific Northwest**

Washington's Pacific Coast is home to several types of birds of prey - falcons, hawks and eagles. Raptor expert Dan Varland will discuss these majestic creatures at the **Aberdeen Timberland Library on Tuesday, March 14, from 6 to 7 p.m.**

The talk coincides with "*Coastal Raptors*," a library display of photographs taken by Hoquiam resident Tom Rowley.

The Friends of the Aberdeen Timberland Library sponsor this program as part of the 2017 Winter Lecture Series.

All TRL programs are free and open to the public. **The Aberdeen Timberland Library** is located at 121 E. Market St. For more information, call the library at 360-533-2360 or visit [www.TRL.org](http://www.TRL.org).
