## **Get started with a garden: Learn from a Master Gardener**

Master Gardener Cindy Knight will help you get started growing a garden. She'll explain the basics—and more—on Wednesday, April 14 from 7 to 8 p.m. at the Elma Timberland Library. Arrive early if you have some questions you would like answered.

Ms. Knight will present information for gardeners of all experience levels, from those who “just want to grow things,” to experienced gardeners. She'll discuss the components of soil and how to improve existing soil. She will also show what can be grown in small spaces and containers. Knight is a Washington State Nursery Professional with special expertise on tomatoes. She has been working with plants for over 40 years.

The Elma Timberland Library is at 118 N First Street, Elma. For more information, call (360) 482-3737 or go to [www.TRL.org](http://www.TRL.org).
