**Alcohol Ink Tiles**

Monday, June 4

5 - 7 p.m.

for adults

**Olympia Timberland Library**

Drop in and learn how to use colorful alcohol ink to create a decorative trivet or coaster.

We'll be creating with tiles, but you can also use alcohol inks on different surfaces such as glass and metals. Alcohol inks are an acid-free, highly-pigmented, and fast drying medium to be used on non-porous surfaces. The brightness of the color means that a small bottle will go a long way. Using alcohol inks can be a fun way to use colors and create backgrounds for a variety of art projects. Mixing colors can create a vibrant marbled effect and the possibilities are only limited by the imagination.

All materials will be provided.

This Creative U program is sponsored by the Friends of the Olympia Timberland Library.
