## Catch the “Zines on Toast Tour” @ Northern

Northern/the Olympia All Ages Project and the [Olympia Timberland Library](http://www.trlib.org) are bringing *Zines on Toast*, an evening of entertainment and information with zine writers from the UK (United Kingdom) and Alex Wreck from Portland. Hear accounts of the London zine symposium, UK zine tours, vegan mass catering, UK social centers, revolt, punkrock, anarchy and more ([www.zinesontost.org](http://www.zinesontost.org)). The event is at Northern, 321 4th Ave., Olympia on Wednesday, September 1 from 7 to 9:30 p.m. Excerpts from the Website:

**Alex Wreck** lives in Portland, Oregon. She is the author of *Brainscan* zine and the DIY\* zine resource book, *Stolen Sharpie Revolution*. She volunteers with various self publishing projects and is a long time organizer of the Portland Zine Symposium. Wreck went on a UK zine tour in 2009 and convinced the people she met to tour the US this year. **Isy Morgenmuffell** has been making comic zines since 1997 from her home in Brighton, UK. Originally from South Korea and Germany, she has worked on various other zines, booklets, and the *Last Hours* zine and website, and co-authored the vegan cookbook, *Another dinner is possible*. She’s been involved in setting up the Cowley Club (a co-operative social center) and other projects. [www.morgenmuffel.co.uk](http://www.morgenmuffel.co.uk)

**Edd Baldry** is a radical illustrator based in London, who draws under the moniker Hey Monkey Riot. He started writing punk zines in 2001, first with *Rancid News*, and more recently *Last Hours*. He has been active in London political organizing since 2002 focusing on social center projects and anti-war activities. [www.eddbaldry.co.uk](http://www.eddbaldry.co.uk)

**Steve Larder** is an illustrator based in Nottingham. His zine, *Rum Lad* is generally filled with illustrations and musings. He is a regular contributor to other publications such as *Last Hours*, *Subtext* and *Razorcake* as well as numerous other projects. He has played in various punk rock bands since he was 16 and has an interest in documenting small town culture. [www.stevelarder.co.uk](http://www.stevelarder.co.uk)

**Tom Fiction** developed an interest in DIY, anarchist and punk culture in his mid-teens, played in several bands and wrote a handful of zines. In 2007 he became involved with *Last Hours*, a group of anti-authoritarians, collectively publishing several books and running [www.lasthours.org.uk](http://www.lasthours.org.uk) as a resource for creative resistance.
