South Bend Timberland Library to close Feb. 15, 16 for window project

The [South Bend Timberland Library](#) will be closed Tuesday and Wednesday, February 15 and 16 for installation of new windows throughout the library building. The library will resume regular hours on Friday, February 18. The library will also be closed as usual on Monday and Thursday.

Sunset Air and Window is the contractor for the project. The windows will be of double-paned safety glass, both safer and more energy efficient than the windows being replaced. The design and materials will match those of South Bend's historic Carnegie library building.
