Glenda Bonin's Squirrely Shirley makes waves at Timberland libraries

Take your young sons and daughters, your little nieces, nephews or grandchildren to any of the Timberland libraries listed below for stories and a sweet and funny puppet show. Glenda Bonin mixes storytelling, puppetry and magic with Squirrely Shirley, a little squirrel who wants to learn how to swim—without leaving her tree-stump home. How will she do that? Visit with Glenda at the libraries listed below and check out her website at www.storyworksgroup.com.
