### **Tumwater Timberland Library to close four days for carpet replacement**

The [Tumwater Timberland Library](#), which averages 900 people a day in the building, will receive new carpeting in the center portion of the library to replace the original carpet installed when the building was constructed in 1995. The costs associated with re-carpeting the entire library are being spread over a 3-year period as the work is completed in phases.

On Monday, September 19 and Tuesday, September 20 from noon to 4 p.m. patrons will be able to use the self-checkout station and pickup holds, but no browsing the library will be permitted. The library will be closed Wednesday and Thursday, September 21 and 22 as the project is completed and the area re-assembled to open to the public on Friday, September 23.

During the closure, the book drop will be available for returns and items will be checked in, but no other library services will be available.

Timberland Regional Library provides for the information, reading and lifelong learning needs of the Grays Harbor, Lewis, Mason, Pacific, and Thurston county public at 27 community public libraries and 7 library service partner locations. The library system is funded mainly by local property taxes. Anyone needing special accommodations to participate in a library's program may contact the library one week in advance.
