### Coupon Queen visits Yelm library to share her money-saving ways

Consumers saved nearly \$2 billion with coupons in the first half of 2010.\* On Wednesday, July 27, “Coupon Queen” Heather Clarke of Olympia will be at the Yelm Timberland Library from 6:30 to 7:30 p.m. to explain how to use coupons, rebates and sales to save hundreds on groceries, drug store items, services, and more. Ms. Clarke will present her essential techniques for finding, using and organizing coupons.

Four years ago, Clarke, made the decision to shift careers from working mom to stay-at-home mom. “Couponing” and other money-saving techniques have made that possible despite an unstable economy. “We cut all the corners, then started cutting coupons,” she wrote on her website, <http://queenbeecoupons.com>.

This class will be free of charge, thanks to the Friends of the Yelm Library who are cosponsoring the program. The Yelm Timberland Library is at 210 Prairie Park Street, Yelm. For more information, please contact the library at (360) 458-3374 or go to [www.TRL.org](http://www.TRL.org).
