Local author discusses perception of God

The Hoquiam Timberland Library presents local author Dinah Dubble who will discuss her book, "The Long Overdue Letter," on Saturday, July 10 from 11 a.m. to 1 p.m. The book is a Christian spiritual and philosophical discussion on the knowableness of God. Dubble states: "Quantum mechanics suggests reality is an illusion. Objects are not as they appear. [but] human mentality has a foundation based on the appearance of objects." Dubble will also discuss the following: Ideals as equality, truth, freedom, peace, compassion and respect for all life have been our guides to a place called justice.
