

Press Release: Aberdeen Timberland Library 2021 Remodel
Date: November 19, 2020

RECONNECTING Communities

Aberdeen Timberland **LIBRARY**

Planning for the Aberdeen Timberland Library remodel began in earnest in 2019. The COVID-19 pandemic, while creating a pause in design planning, allowed our remodel team to process the design more deeply to meet future needs for spatial distance, cleanliness, and safety.

The 2021 remodel serves to reconnect the current and future generations of the City of Aberdeen to their library. The remodel will pair the best of libraries in design and functionality with our city's rich past, while highlighting the role of the library as crucial to community resiliency, vitality, and success.

Thank You to Our Partners!

Our library remodel is made possible by a generous donation of funds by Katherine N. Sherk to the Grays Harbor Community Foundation specifically for capital improvements to the Aberdeen Library. Mrs. Sherk was an avid reader and library visitor, a member of the long-standing Review Club of Aberdeen, and a wonderful friend. Mrs. Sherk's generous contributions, the intentional investments made by the Community Foundation, and the good stewardship of these library funds by TRL, City of Aberdeen, City of Aberdeen Library Advisory Boards and our partners, will ensure that our library remains a state-of-the-art facility.

Timberland Regional LIBRARY provides for the entertainment, information, and lifelong learning needs of Grays Harbor, Lewis, Mason, Pacific, and Thurston county residents at 27 community public libraries and six library service partner locations. The library system is funded mainly by local property taxes, timber tax, fundraising efforts of TRL Friends of the Library, and generous donations by individual supporters.

All Timberland library programs are free and open to the public. Anyone needing special accommodations to participate in a library's programs may contact the library one week in advance. For more information visit TRL.org
