The Nisqually Indian Tribe has awarded \$6,500 in charitable funds to the Friends of the Lacey Library, 100% of which will be passed through to the Lacey Loves to Read Committee in support of the 2021 Lacey Loves to Read Virtual Celebration. Our deepest thanks to the Nisqually Indian Tribe, on whose traditional lands we reside, for their generosity and continued support for this community event.

Lacey Loves to Read is a community reading initiative designed to generate the discussion and celebrations of a notable author. This year's award-winning featured author is Jason Reynolds, the New York Times Best-selling author of All American Boys, the Track series, Sunny, For Everyone, Miles Morales-Spiderman, and As Brave As You, which won the Kirkus Prize, an NAACP Image Award, and the Schnieder Family Book Award.

To keep our community safe and in compliance with COVID-19 protocols, this year's author presentation will be a **Live Virtual Event via Zoom on Thursday, February 18th, 2021 at 1:30 pm**. (Zoom link: <https://www.nthurston.k12.wa.us/read>). We encourage our community to celebrate with us by reading Mr. Reynolds' many excellent works and virtually welcoming him as he shares his passion for writing with us on February 18th.

Timberland Regional LIBRARY provides for the entertainment, information, and lifelong learning needs of Grays Harbor, Lewis, Mason, Pacific, and Thurston county residents at 27 community public libraries and six library service partner locations. The library system is funded mainly by local property taxes, timber tax, fundraising efforts of TRL Friends of the Library, and generous donations by individual supporters.

All Timberland library programs are free and open to the public. Anyone needing special accommodations to participate in a library's programs may contact the library one week in advance. For more information visit TRL.org
