

News Release – Additional Guidelines for Library Branches

Date: Thursday, November 19, 2020

With additional consideration, beginning Thursday, November 19, 2020, until at least December 14, 2020, Timberland Regional Library will limit service in the following ways to help prevent the spread of Covid-19:

- No computer use, at any branch
- No self-serve scanner and copier use, at any branch
- Libraries already doing takeout only, will continue
- Libraries set up for self-serve holds pick up will continue that with 1-6 people in at a time
- Library users are asked to limit their visits to 5 minutes

Timberland Regional LIBRARY provides for the entertainment, information, and lifelong learning needs of Grays Harbor, Lewis, Mason, Pacific, and Thurston county residents at 27 community public libraries and six library service partner locations. The library system is funded mainly by local property taxes, timber tax, fundraising efforts of TRL Friends of the Library, and generous donations by individual supporters.

All Timberland library programs are free and open to the public. Anyone needing special accommodations to participate in a library's programs may contact the library one week in advance. For more information visit TRL.org
